# FREE CHAPEL PRISON OUTREACH

As part of our Vision series last year, we had the goal to provide the technology and supplies to bring the message of Jesus to hundreds more men and women each and every week! This year, we've had over 10,000 in attendance with 400 services across 9 campus locations. This has led to 2,876 salvations. This year alone, our messages on the Pando App led to 114 salvations and 90,562 views. We were also able to launch in the Lee Arrendale Women's Facility.

## VISION

Holidays are especially hard for families and children of inmates. With your help, our vision is to provide Christmas gifts to over 200 children of incarcerated parents.

## ONGOING SUPPORT

We continue to bring the message of Jesus to prisons each week.

# DISASTER RELIEF

When we join together we're able to help in a big way when desperate needs arise. This year, your support has given over \$1,000,000 to families affected by wildfires in California, tornadoes in Kentucky and Missouri, and Hurricane Melissa in Haiti.

RED TRUCK MEN

## RED TRUCK MEN

### VISION

We have the opportunity to organize and operate our very own disaster relief organization with Red Truck Men. We've partnered with them in the past to help those affected by disasters, and now they need our help to mobilize this ministry

for future disasters. This will involve organizing men's gatherings, gathering emergency supplies and equipment and mobilizing our very own Free Chapel men to show the love of Christ when people need it the most.

## COUNSELING

Free Chapel Counseling utilizes professional counselors to address addictions, marital counseling, grief, family crisis, divorce care, adolescence, and depression. Free Chapel Counseling has served over 2,500 clients so far this year and began partnering with the Prison Ministry and Online Campus to fight the fentanyl/drug and loneliness crisis.

## MOBILE MEDICAL UNIT

All year long, our Mobile Medical Unit provides free ultrasounds and STD testing as well as love and support to women considering abortion. 3 out of 4 abortion-vulnerable women who visit our clinic choose to carry their baby to term. Our continued support provides the staff and medical supplies to make this amazing outreach possible.

- + 594 free ultrasounds.
- + 510 free pregnancy tests.
- + 499 decisions to parent.

## NEW BEGINNINGS

We've supported women recovering from addiction at New Beginnings for over two decades. They combine rehabilitation and counseling built on a foundation of faith. Your support has built dorms to expand the facility, housing for mothers with children, a playground, and ongoing support for staffing and immediate needs.

Last year we invested \$500,000 in New Beginnings for new facilities and upgrades to their ministry which helped with renovations and in opening a brand-new homeless shelter for women and their children.

## ONGOING SUPPORT

Thanks to you, we are continuing to support and aid in counseling, our Mobile Medical Unit, New Beginnings, and Made for More.

## MADE FOR MORE

those in our community.

# FOOD OUTREACH

Your support through this vision series allowed us to invest even more over the past year in local outreach around our campuses.

## VISION

# SINGLE MOTHERS FUND

It's our dream to begin a fund to help single mothers in need. Many work all day, care for kids when they are home, and still struggle to provide necessities. Our vision is to provide "game-changing" gifts such as vehicles, homes, and education that can change their outlook and the course of their lives.

# ONLINE PRESENCE

# VISION FOR THE FUTURE

In light of recent conflicts, we have a vision to do even more.

We have committed our largest amount of funding ever towards an initiative called "Light over Darkness." It represents our unwavering dedication to not just help rebuild communities in Israel, but to mend hearts and restore what seemed irrevocably lost.

## VISION

Completing the annual 5 million dollar investment (the second phase of our 3 year, 15 million dollar commitment) to our Light Over Darkness initiative.

This will complete the Northern Israel Emergency Center, a reinforced hospital that will provide critical care to the residents who live on the borders of Lebanon and Syria. It also enables the creation of the Eshkol Resilience Center, hundreds of safe rooms and 4 emergency response centers.
