## **“TO INFINITY AND BEYOND!”**

“To Infinity, and beyond!” You’ve probably heard the expression before, but have you ever stopped to think about what it really means? Infinity is a big word. In fact, you could say it is infinitely big! The word means unlimited, boundless – forever! And that’s the kind of God we serve. And there are infinite possibilities for those who believe. He’s called the Alpha and Omega, the Beginning and the End – that’s our God, the Father of the Heavenly Lights, the stars above.

One time, there was a father who didn’t really know if Jesus could heal his son or not. He said, “If you can do anything, take pity on us and help us.”

Jesus turned to him and said, “If you can?”

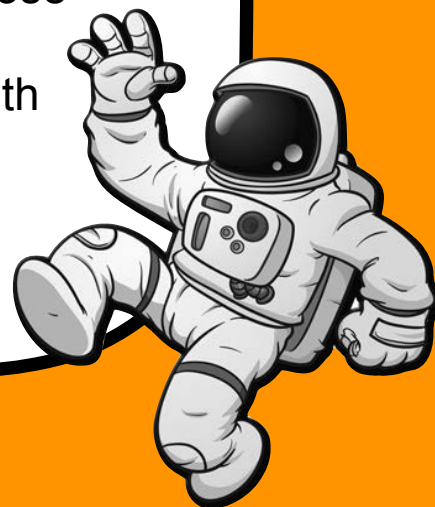

And that’s our problem right there. When we talk to God, the Creator of the stars, the earth and all that is on it, we have to remember that all things are possible. Just before healing the man’s son, Jesus told him, and us: “Everything is possible for one who believes.”

To infinity and beyond! We serve an amazing great big God, and we can never measure His power. And we can never fully understand just how much it is that He loves us. Infinity is a big word. But God’s love and power are even greater!

That’s why we need to blast off with faith, knowing very well that His plans for us are as numerous as the stars in the night sky. And if it appears as if things are going wrong, we need to keep the right attitude. Everyone sees setbacks, and everyone stumbles from time to time. Stumble forward, learn from your mistakes, and take what was meant for bad – and turn it into a testimony. Or, as a famous space ranger once called it: “Fall with style!”

Another thing that space ranger always said: “Buzz Lightyear to the rescue!” His job – and yours – was to be a part of the Universe Protection Unit. Don’t spend all your time having tea with Mrs. Nesbitt! Your mission with Star Command is to go to the rescue. Our infinite God put you here for such a time as this, to reach out and rescue those in danger!

So are you ready to take on a new adventure? Just remember with God, it’s to infinity, and beyond!

## “TO INFINITY AND BEYOND!”

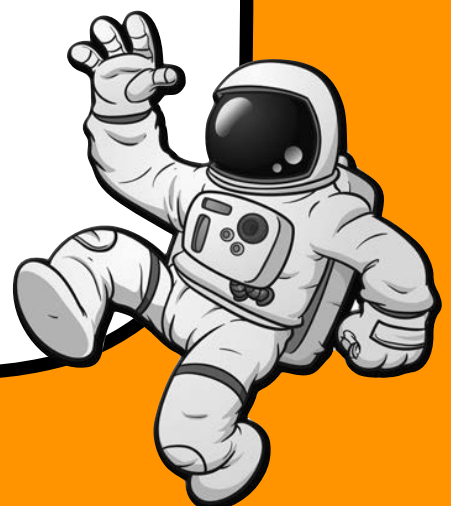

“Great is our Lord. His power is mighty. There is no limit to His understanding.” **Psalms 147:5 NIRV**

“Don’t you know who made everything? Haven’t you heard about Him? The Lord is the God who lives forever. He created everything on earth. He won’t become worn out or get tired. No one will ever know how great His understanding is.” **Isaiah 40:28 NIRV**

“I am the Alpha and the Omega, the Beginning and the End,” says the Lord God. “I am the God who is, and who was, and who will come. I am the Mighty One.” **Revelation 1:8 NIRV**

“Lord and King, you have reached out your great and powerful arm. You have made the heavens and the earth. Nothing is too hard for you.” **Jeremiah 32:17 NIRV**

“Give thanks to the Lord, because He is good. His faithful love continues forever.” **1 Chronicles 16:34 NIRV**

Prayer with God is a conversation with something much better than Star Command. He helps us and guides us forward and out of danger. And reading the Bible is better than any flight manual - it tells us all we need to get through life, to infinity and beyond!

Today, make a promise – just between you and God. Promise to spend more time in prayer, and promise to spend more time studying His word.

Fill in below the times during the week you promise to spend with Jesus. Choose how long you want to spend – it's up to you how long you spend reading, or praying. The important thing is that you follow through, and put Jesus at the center. Then He will help guide you to infinity... and beyond!

## **“FAILURE IS NOT AN OPTION”**

“Houston, we have a problem.” The astronauts of Apollo 13 were deep in space, and deep in trouble. One moment they were floating along on a routine mission. The next moment, their liquid oxygen tank exploded, shooting a 13-foot panel of their spacecraft out into deep space. And just like that, the astronauts were wondering if they’d ever get home again.

Fortunately, there were a few key things that helped bring them home: one was communication with Mission Control, and the other thing were the years of training each astronaut went through to get to this point.

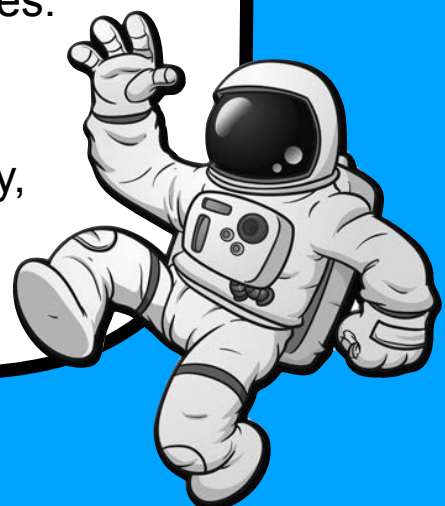

Like astronauts, in our lives, one thing that is especially important is keeping the communication lines open – with God. We can’t survive if we don’t pray often. The Bible tells us to pray without ceasing. Could you imagine the astronauts making it back home without the help from Mission Control? Just the same, we can’t float through life without talking with our Heavenly Father!

And don’t think you’re here just taking up space. Astronauts are always in training, and always ready for many situations that could happen. As Christians, we need to be ready in all seasons. Study to show yourself approved, worship with other believers and be alert at all times. You’ll never know when you’ll have to spring into action!

Just remember that it’s all about getting home. In 1961, astronaut Scott Carpenter fired his retros just three seconds late when heading back into the earth’s atmosphere. He missed the small window, and wound up splashing down 250 miles away from where he was supposed to land!

Our way home is a narrow path. The Bible tells us that the way to heaven is a narrow gate, one that could be easy to miss if you’re not careful. That’s why it’s so important to pray, and stay ready at all times. Don’t burn up on reentry – make sure you find that narrow path that leads us all back home.

Your friends and family are praying for you to make it home safely, and God doesn’t want anyone to perish: failure is not an option!

## “FAILURE IS NOT AN OPTION”

“Don’t worry about anything. No matter what happens, tell God about everything. Ask and pray, and give thanks to him.”

**Philippians 4:6 NIRV**

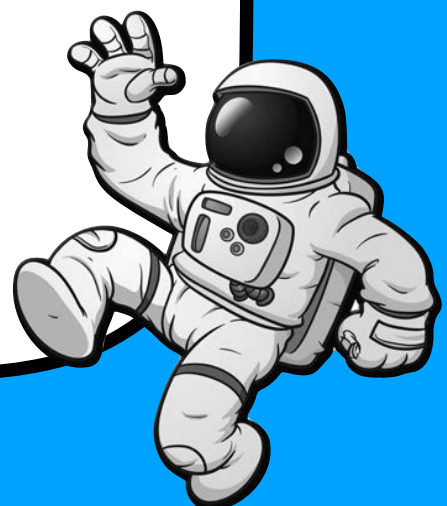

“Call out to me. I will answer you. I will tell you great things you do not know. And unless I do, you wouldn’t be able to find out about them.”

**Jeremiah 33:3 NIRV**

“Training the body has some value. But being godly has value in every way. It promises help for the life you are now living and the life to come.” **1 Timothy 4:8 NIRV**

“No training seems pleasant at the time. In fact, it seems painful. But later on it produces a harvest of godliness and peace. It does this for those who have been trained by it.” **Hebrews 12:11 NIRV**

“Enter God’s kingdom through the narrow gate. The gate is large and the road is wide that leads to ruin. Many people go that way. But the gate is small and the road is narrow that leads to life. Only a few people find it.” **Matthew 7:13-14 NIRV**

## ROMANS ROAD

### WE'VE ALL MADE A WRONG TURN 3:10

**WRONG  
WAY**

**Everyone has made a wrong turn.** The Bible tells us that all have sinned. We've all done things God isn't pleased with, and found ourselves going in a bad direction. *"It is written, 'No one is right with God, no one at all.'"* Romans 3:10 NIRV

### 6:23 IT'S THE ROAD TO DEATH

**Sin is the road to destruction.** In the book of Romans, Paul shows us the law, and the price we all pay when we do those things we know God doesn't want.

*"When you sin, the pay you get is death. But God gives you the gift of eternal life because of what Christ Jesus our Lord has done."*

Romans 6:23 NIRV

### JESUS PAID THE TOLL 5:8

**Jesus paid the toll.** Someone had to pay the price for us to find our way. He didn't have to, but Jesus showed His love for us, by paying for the wages of sin.

*"But here is how God has shown His love for us. While we were still sinners, Christ died for us."* Romans 5:8 NIRV

### 3:22 GOD ALLOWS U-TURNS

**God allows u-turns.** Don't think it is too late to turn things around. God is there, waiting for you to change directions and head His way.

*"We are made right with God by putting our faith in Jesus Christ. That happens to all who believe. It is no different for the Jews than for anyone else."* Romans 3:22 NIRV

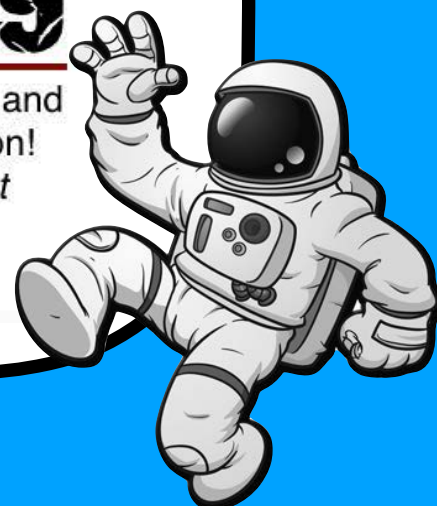

### MAKE THE RIGHT TURN 10:9

**Make a right turn!** It's simple to do. Let Jesus take the wheel, and find yourself cruising down a new road to a heavenly destination!

*"Say with your mouth, 'Jesus is Lord.' Believe in your heart that God raised him from the dead. Then you will be saved."*

Romans 10:9 NIRV

## “ALL SYSTEMS GO”

On the launch pad, when Mission Control declares, “all system go,” that means everything is functioning properly, and big things are about to happen. It’s definitely a word of action!

It’s a word Jesus used frequently, a word filled with promise. With just one simple word, he told us what we needed to do: GO.

One of the first times we heard him say it was to a blind man. *“Go,” said Jesus. “Your faith has healed you.”* Like that man Jesus was speaking to, we all were once blind, stumbling around in darkness. But with His light of the world, now we can see clearly! We didn’t do anything to deserve salvation and hope, but God gave it to each of us anyway. So go: our faith in Him has saved us, and given us help, healing and hope.

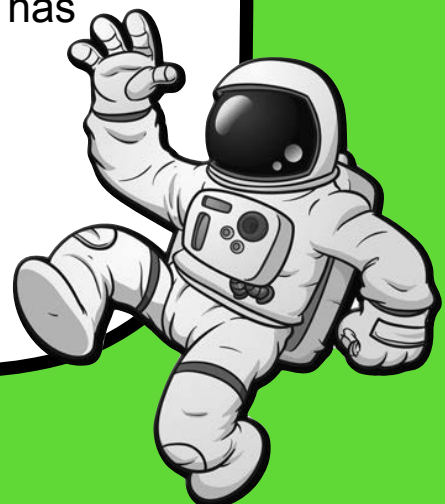

But Jesus wasn’t done telling us to go. Early in his ministry, Jesus stopped the Pharisees from throwing stones at a woman – their aim was to punish her for sinning. But he stopped them short when he asked, *“Has any one of you not sinned? Then you be the first to throw a stone at her.”*

Stones were dropped left and right. Jesus knew it very well: nobody is without sin. And yet his next command for us was a simple one: *“Go, and sin no more.”* He’ll forgive us when we ask, but we simply must turn away from doing those things that God isn’t pleased with.

How fitting that he ended his ministry with one final “Go.” Once the people there were healed and turned from their sins, there was one final mission from Jesus: *“Go into all the world. Preach the good news to everyone.”*

This is our mission too: Go into all the world! You’ve been given a gift, one that God wants shared with the world. It is our Great Commission, and God’s great hope that all the world can have everlasting life!

So get ready for action, and get ready to go: Go, because your faith has healed you. Go, and sin no more. And go into all the world and preach the good news to everyone. All systems go!

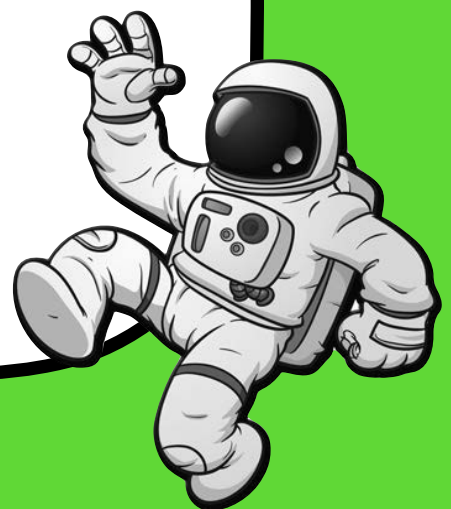

## “ALL SYSTEMS GO”

“Then the 11 disciples went to Galilee. They went to the mountain where Jesus had told them to go. When they saw him, they worshiped him. But some still had their doubts. Then Jesus came to them. He said, ‘All authority in heaven and on earth has been given to me. So you must **go** and make disciples of all nations. Baptize them in the name of the Father and of the Son and of the Holy Spirit. Teach them to obey everything I have commanded you. And you can be sure that I am always with you, to the very end.’” **Matthew 28:16-20 NIRV**

## IT'S TIME FOR ACTION. IT'S TIME TO GO!

The Great Commission from Jesus is something he's asking all of us to do: *Go into all the world. Preach the good news to everyone.*"

You don't need to be a preacher or gifted speaker to bring the good news to anyone. There are actually many different ways to share the gospel: inviting others to church is one way. Also, helping out at your church is another. Of course, praying for those who need to hear the good news is yet another. And finally, simply telling others about Jesus is one more way.

Are you ready to go? Then write below some ways you promise to share the Good News with others. And if there are people you know that need to hear about God's love, then write their names down too: you can go, and pray for them each day.

God has given you an "all systems go," so get ready for action. Get ready to GO!

**Jesus told us to 'Go into all the world. Preach the good news to everyone.'** How will you share the Good News with others?
